DIVISION OF  
OIL GAS & MINING

Dear Mr. Ostler:

Subject UGW 450001

Barrick completed installation of the additional Area 3 groundwater quality monitoring well (MW19) on September 25, 1992. The well will be placed into the accelerated groundwater monitoring on October 13, 1992. All as-built information will be prepared and submitted to the Division on or before October 31, 1992.

With the submittal of the as-built information, Barrick will have completed all outstanding issues as discussed on pages 2 and 3 of your August 13, 1992 correspondence. At this time, Barrick would anticipate your immediate review and final approval of Groundwater Quality Discharge Permit Number UGW450001.

Please contact me should you have any questions concerning this correspondence.

Respectfully,

Glenn M. Eurick  
Environmental Affairs Coordinator (USA)
